GAF Shingle & Accessory Limited Warranty

Congratulations! Thank you for purchasing asphaltic shingles and/or accessories from GAF, North America's largest roofing manufacturer — your best choice.

While many factors can affect how long your shingles and accessories will last, this GAF Shingle & Accessory Limited Warranty covers your asphaltic shingles and accessories, including GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier Products, GAF Roof Deck Protection Products, and GAF Cobra® Ventilation Products (the GAF Products), in the unlikely event that they contain a manufacturing defect. It provides great coverage that is "non-prorated" during the crucial up-front period of your ownership (the Smart Choice® Protection Period) with continued coverage for extended periods of time afterwards. Note: This limited warranty does not cover low-slope membranes, Master Flow® Ventilation Products, or ShingleMatch™ Roof Accessory Paint. Please go to gaf.com for a copy of the limited warranties covering these products.

How Long Your Warranty Lasts

Manufacturing Defects: GAF Lifetime Asphaltic Shingles. Subject to the provisions below, all GAF Asphaltic Shingles other than Royal Sovereign® and Marquis WeatherMax® Shingles and Ridge Cap and Starter Strip Shingles carry a Lifetime limited warranty (as defined below) against manufacturing defects and a SmartChoice® Protection Period of 10 years.

Manufacturing Defects: Other GAF Asphaltic Shingles. Marquis WeatherMax® Shingles are warranted against manufacturing defects for 30 years; Royal Sovereign® Shingles are warranted for 25 years. The Smart Choice® Protection Period is 5 years for Marquis WeatherMax® and Royal Sovereign® Shingles. The warranty term and Smart Choice® Protection Period for Ridge Cap and Starter Strip Shingles are described below.

Manufacturing Defects: GAF Accessories Used With Any Brand Of Lifetime Asphaltic Shingles. When you install three or more of the GAF Accessory Products listed above on your roof with any brand of Lifetime Asphaltic Shingles, your GAF Accessory Products carry a Lifetime limited warranty (as defined below) against manufacturing defects and a Smart Choice® Protection Period of 10 years. When you install fewer than three of the above-listed GAF Accessory Products on your roof with any brand of Lifetime Asphaltic Shingles, your GAF Accessory Products carry a 40-year warranty against manufacturing defects and a Smart Choice® Protection Period of 5 years.

Manufacturing Defects: GAF Accessories Used With Any Other Asphaltic Shingles. When you install one or more of the above-listed GAF Accessory Products on your roof with any brand of non-Lifetime Asphaltic Shingles, your GAF Accessory Products carry a 25-year warranty against manufacturing defects and a Smart Choice® Protection Period of 5 years.

Definition Of Lifetime: The word "Lifetime" means as long as you, the original owner(s) [or the second owner(s) if coverage was properly transferred during the Smart Choice® Protection Period], own the property where the shingles and/or accessories are installed. The Lifetime warranty is applicable only to shingles and

accessories installed on a single-family detached residence owned by individuals. For any other type of owner or building, such as a corporation, governmental entity, religious entity, condominium or homeowner association, school, apartment building, office building, or multi-use structure, the length of the warranty is 40 years.

Failure To Seal/Blow-Offs/Wind Damage. GAF Lifetime Shingles, Timbertex® Premium Ridge Cap Shingles, and Ridglass® Premium Ridge Cap Shingles are warranted against failure to seal, blow-offs, and wind damage for 15 years. All other shingles (other than starter strips) and other ridge cap shingles are warranted against failure to seal, blow-offs, and wind damage for 5 years. There is no coverage for failure to seal/blow-offs/wind damage for any other GAF Accessory Products.

Algae Discoloration. All StainGuard Plus™ with Time Release-labeled shingles carry a 25-year limited warranty against algae discoloration and a Smart Choice® Protection Period of 10 years. All StainGuard®-labeled Shingles and Ridge Cap Shingles carry a 10-year limited warranty against algae discoloration and a Smart Choice® Protection Period of 1 year. There is no coverage for algae discoloration for any other GAF Accessory Products.

Who Is Covered By This Limited Warranty; Transferability.

You are covered by this limited warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred **only once**. The second owner must notify GAF in writing within **60 days** after the property transfer for warranty coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.) If the transfer takes place within the Smart Choice® Protection Period, the second owner is entitled to the same coverage as the original owner. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after the ownership changes. If there is a defect during this two-year period, GAF's reimbursement to the second owner will be based only on the reasonable cost of replacement shingles or applicable accessories, reduced by the amount of use that has been received from the shingles or applicable accessories from the date of installation through the date of claim.

Manufacturing Defects: What Is Covered/Sole And Exclusive Remedy.

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Roofing Shingles will remain free from manufacturing defects that adversely affect their performance during the applicable Smart Choice® Protection Period or that cause leaks for the remainder of the applicable warranty term and that your GAF Accessory Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term. **Note:** Failure to seal/blow-offs/wind damage and algae discoloration are covered separately below.

(1) During the Smart Choice® Protection Period: GAF will pay you the full reasonable cost of labor to repair or re-cover any defective GAF Products (excluding non-GAF accessories, metal work, or flashing) and will provide replacement GAF

Products or the reasonable cost of obtaining replacement GAF Products, at GAF's option. GAF will not pay to tear off your GAF Products, or to dispose of them.

(2) After the Smart Choice® Protection Period: Labor will no longer be covered. GAF's contribution to you will be based on either providing you with replacement GAF Products, or at GAF's choice, reimbursing you for the reasonable cost of replacement GAF Products. The amount of replacement GAF Products or reimbursement provided to you will be reduced to reflect the use you have received from your GAF Products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime warranty, the number of months in the warranty term is deemed to be 600 for years 11-40 of the warranty term. For years 41 and beyond of a Lifetime warranty, GAF's contribution is 20%. For example, if you make a claim for Lifetime Shingles installed on a single-family home after your shingles have been installed for 25 years (300 months), GAF's contribution will be reduced by 300/600 or 50%.

Failure To Seal/Blow-Offs/Wind Damage: What Is Covered/Sole And Exclusive Remedy.

This limited warranty is **specifically conditioned** on your shingles or ridge cap shingles being fastened and installed **strictly** in accordance with GAF's application instructions. This limited warranty does not apply to starter strip shingles. GAF warrants to you that your GAF shingles or ridge cap shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) up to the applicable wind speed listed on the reverse after your shingles or ridge cap shingles should have sealed but did not due to a manufacturing defect. If your shingles or ridge cap shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off or damaged shingles or ridge cap shingles and hand-sealing any unsealed shingles or ridge cap shingles. Costs related to underlayment, metal work, and flashings are not included. GAF's **maximum** liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles and ridge cap shingles on your roof.

**Your ridge cap shingles will be covered up to the maximum wind speed above ONLY if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Ltd. Warranty" section of the applicable ridge cap shingle application instructions.		

Note: All self-sealing shingles and ridge cap shingles, including GAFs, must be exposed to warm, sunny conditions for several days before they completely seal. Before sealing occurs, shingles and ridge cap shingles are vulnerable to blow-offs and wind damage. Shingles and ridge cap shingles installed in fall or winter may not seal until the following spring. Shingles or ridge cap shingles that are not exposed to direct sunlight or adequate surface temperatures or that are not fastened or installed properly may never seal. Failures to seal, blow-offs, and wind damage under these circumstances result from the nature of self-sealing shingles and ridge cap shingles, not a manufacturing defect, and are not covered under this limited warranty.

Algae Discoloration: What Is Covered/Sole And Exclusive Remedy.

This limited warranty applies only to shingles and ridge cap shingles sold in packages bearing the StainGuard Plus™ with Time Release or StainGuard® logos. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your **StainGuard Plus™ with Time Release-** or **StainGuard®-labeled** shingles or ridge cap shingles for the warranty term listed above. If your **StainGuard Plus™ with Time Release-labeled** shingles exhibit a pronounced discoloration caused by blue-green algae during the **first 10 years** after installation or your **StainGuard®-labeled** shingles or ridge cap shingles exhibit a pronounced discoloration caused by blue-green algae during the **first year** after installation, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles (or ridge cap shingles, if your ridge cap shingles are labeled with the StainGuard® logo) or, at GAF's sole option, replacing discolored shingles (or ridge cap shingles, if your ridge cap shingles are labeled with the StainGuard® logo). The **maximum** cost to GAF shall be the lesser of the original cost of the affected shingles or ridge cap shingles or the cost to clean the affected shingles or ridge cap shingles. During the **remainder** of the limited warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since your shingles or ridge cap shingles were installed. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term.

Note: Preventing pronounced algae-related discoloration of your shingles or

ridge cap shingles is achieved through formulations or through unique blends of granules.

What Is Not Covered.

Even if your GAF Products were not properly installed according to GAF's application instructions or to standard good roofing practices, this limited warranty remains in effect. However, GAF will **NOT** be liable for and this warranty does **NOT** apply to:

- (1) Damage resulting from anything other than an inherent manufacturing defect in the GAF Products, such as:
 - (a) improper fastening of your shingles or accessories or application not in strict accordance with GAF's printed application instructions, if the improper installation was the cause of the damage.
 - (b) settlement, movement, or defects in the building, walls, foundation, or the roof base over which the shingles or accessories were applied.
 - (c) inadequate ventilation.
- (2) Damage resulting from causes beyond normal wear and tear, such as:
 - (a) acts of nature, such as hail, fire, or winds (including gusts) over the applicable wind speed listed above.
 - (b) impact of traffic on the roof or foreign objects, including damage caused by objects blown onto the roof by wind.
 - (c) improper storage or handling of the GAF Products.
- (3) Ice damming, except for leaks in the area of your roof deck covered by a GAF Leak Barrier which are caused by a manufacturing defect in your GAF Leak Barrier.
- (4) Shading or variations in the color of your GAF Products or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard Plus™ with Time Release or StainGuard® logos), or other contaminants, including that caused by organic materials on the roof.
- (5) Labor costs, except as specifically provided for above, disposal costs, tear-off costs, and costs related to underlayments (unless your claim involves a manufacturing defect in a GAF Underlayment), metal work, and flashings.
- (6) Damage to the interior or exterior of the building, including, but not limited to, mold growth.

Other Limitations Concerning Coverage.

Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your GAF Products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects or algae discoloration at the time your claim is settled. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement shingles or accessories may not be an exact match for the shingles or accessories on your roof. Even if GAF does not modify a color, replacement shingles or accessories may not match your original shingles or accessories due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do.

You must notify GAF about any claim within **30 days** after you notice a problem. You may report a claim by calling GAF at 1-800-458-1860, sending an e-mail to warrantyclaims@gaf.com, or by sending a notice to GAF in writing to: GAF, Warranty Claims Department, 1 Campus Drive, Parsippany, NJ 07054, USA.

You will then be provided with complete details about submitting your claim. You will be required to provide proof of the date your shingles or accessories were installed and that you were the owner of the property at that time (or that the warranty was properly transferred to you). If you are claiming a Lifetime warranty on any GAF Accessories, you must also provide proof of the date(s) your three or more GAF Accessories and Lifetime Shingles were applied. GAF may require you to send to GAF, at your expense, photographs and sample products for testing. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this limited warranty. If you repair or replace your GAF Products before you notify GAF about your claim or before GAF has completed its evaluation of your claim, your claim may be denied. If you need to repair or replace your GAF Products before your claim is resolved, you **MUST** provide GAF with reasonable notice. **NOTE: Notice to your contractor, dealer, or home builder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

Sole And Exclusive Warranty.

THIS LIMITED WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW OR IN EQUITY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This limited warranty is your exclusive warranty from GAF and represents the **SOLE REMEDY** available to any owner of GAF Shingles or Accessories. GAF makes **NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES** of any kind other than that stated herein. **GAF WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether any claim against it is based upon breach of this warranty, negligence, strict liability in tort, or for any other cause.** Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

The United Nations Convention on the International Sale of Goods shall **NOT** apply either to the sale of the GAF Products or to this limited warranty.

Modification Of Warranty.

This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional or other liability or responsibility for GAF in connection with your GAF Products except as described in this limited warranty. (**Note:** Warranty subject to change. The warranty in effect at the time your GAF Products are installed is the version of the warranty that will govern your claim. For current information, visit gaf.com or write to GAF at 1 Campus Drive, Parsippany, NJ 07054, USA, Attn: Warranty Claims Department.)

Effective Date.

This limited warranty is effective for GAF Products installed after February 1, 2018.
